Founded in 1928, The Journal of Nutrition is a peer reviewed journal from the American Society of Nutrition that publishes peer-reviewed original research paper

The Journal of Nutrition | Oxford Academic

Nutrition is the science that interprets the interaction of nutrients and other substances in food in relation to maintenance, growth, reproduction, health and disease of an organism. It includes food intake, absorption, assimilation, biosynthesis, catabolism, and excretion. The diet of an organism is what it eats, which is largely determined by the availability and palatability of foods.

Nutrition - Wikipedia

Email is an official means of communication for academic and administrative purposes at Mount Allison. An email address assigned to a student by the university is the only email address used by Mount Allison for communication with students for academic and administrative purposes.
