The World Bank Group's Twin Goals, the SDGs, and the 2030 Development Agenda. The Sustainable Development Goals adopted in 2015 are an historic global achievement. These 17 targets, in areas such as health, gender, jobs, and poverty reduction, are part of a comprehensive global agenda to end poverty in a single generation.

Sustainable Development Goals (SDGs) and The 2030 Agenda

Sustainable development is the organizing principle for meeting human development goals while at the same time sustaining the ability of natural systems to provide the natural resources and ecosystem services upon which the economy and society depend. The desired result is a state of society where living conditions and resource use continue to meet human needs without undermining the integrity ...
