A Critical Review of Research on Formative Assessment: The

integral to supporting robust learning for the broad spectrum of learners in contemporary classrooms: pre-assessments, formative assessments, and summative assessments.

Assessment and Student Success in a - ASCD

In classrooms where assessment for learning is practised, students are encouraged to be more active in their learning and associated assessment. The ultimate purpose of assessment for learning is to create self-regulated learners who can leave school able and confident to continue learning throughout their lives.
