We provide services to parents who pay child support and parents and caretakers who receive child support. Child support is a way for parents to share the financial responsibility for their child, even when they do not live together.

### **Child Support Enforcement Division | Mass.gov**

The paternal age effect is the statistical relationship between paternal age at conception and biological effects on the child. Such effects can relate to birthweight, congenital disorders, life expectancy, and

psychological outcomes. A 2017 review found that while severe health effects are associated with higher paternal age, the total increase in problems caused by paternal age is low.
