sport in social context. He concludes: "Sport history at its best can only be an act of approximation, a fact requiring no apology or defense, just careful consideration" (Phillips ed.: 79).

Book Review for IRSS (hbk) 9780-415-28228-4 (pbk). and

Encompassing a wide range of critical approaches, leading international sport historians reflect on theory, practice, and the future of sport history. They survey the field of sport history since its inception, examine the principles that have governed the production of knowledge in sport history, and address the central concerns raised by the postmodern challenge to history.

Deconstructing Sport History - SUNY Press

There is a debate to be found in history today, viz., the extent to which history as a discipline, can accurately recover and represent the content of the past, through the form of the narrative, or literary structure of its written texts - both primary and secondary - this is the debate stimulated by White.
