Education in the United States is provided by public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

(One of the first science fiction books I ever read was Lester Del Rey's Step to the Stars.). 40 years after I first read it, Step to the Stars remains vivid in my memory. The book tells the story of a young welder, Jim Stanley, and the construction of the first space station – the first step on mankind's journey to the stars.
