

from unconsciousness to consciousness pdf

Jung also distinguished the collective unconscious and collective consciousness, between which lay "an almost unbridgeable gulf over which the subject finds himself suspended". According to Jung, collective consciousness (meaning something along the lines of consensus reality) offered only generalizations, simplistic ideas, and the fashionable ideologies of the age.

Collective unconscious - Wikipedia

Coma is a state of unconsciousness in which a person cannot be awakened; fails to respond normally to painful stimuli, light, or sound; lacks a normal wake-sleep cycle; and does not initiate voluntary actions. A person in a state of coma is described as being comatose. A comatose state may derive from natural causes, or may be medically induced. A comatose person exhibits a complete absence of ...
