grunge grunge album grunge pdf

This article is a list of grunge albums and EPs with articles on English Wikipedia. They appear on at least one cited album list and are described as "grunge" by AllMusic (). Although citations could be found describing each of these as "grunge", in some cases the designation would be controversial, particularly for those bands that are considered Post-grunge.

List of grunge albums - Wikipedia

Grunge (sometimes referred to as the Seattle sound) is the music genre formed from the fusion of punk rock and heavy metal, and a subculture that emerged during the mid-1980s in the Pacific Northwest U.S. state of Washington, particularly in Seattle and nearby towns. The early grunge movement revolved around Seattle's independent record label Sub Pop and the region's underground music scene.
