Walter Blair was the literary scholar who almost single-handedly gave the study of American humor significance in the academic world. By categorizing the writings of American literary humorists into such diverse styles as the Old Southwest, Local Color, and Literary Comedian humor -- each having serious social import--Blair abolished the notion that they were all practicing the same kind of ...

Approaches to the sense of humor: A historical review 17 mor is viewed as a construct within the domain of personality psychology. In order to ensure broad coverage of the relevant literature, I will use the term "sense of humor" in the widest sense, as a sort of catch-all term to refer to habitual
