2 Streamlining underwriting Life insurance operations Competitive forces and not-to-be-missed opportunities are driving many insurers, and should be driving all insurers, to reexamine

### **Streamlining Underwriting Life insurance operations**

Term life insurance or term assurance is life insurance that provides coverage at a fixed rate of payments for a limited period of time, the relevant term. After that period expires, coverage at the previous rate of premiums is no longer guaranteed and the client must either forgo coverage or potentially obtain further coverage with different payments or conditions.

### **Term life insurance - Wikipedia**

A mutual insurance company is an insurance company owned entirely by its policyholders. Any profits earned by a mutual insurance company are either retained within the company or rebated to policyholders in the form of dividend distributions or reduced future premiums. In contrast, a stock insurance company is owned by investors who have purchased company stock; any profits generated by a stock ...
