Construction Project Log Book Includes companion interactive PDF forms. Learn more Easily Comply With Project Record Requirements. Proper documentation is perhaps the most important aspect of construction project management.

Construction Project Log Book - amazon.com
Preventive maintenance or preventative maintenance (PM) has the following meanings: . The care and servicing by personnel for the purpose of maintaining equipment in satisfactory operating condition by providing for systematic inspection, detection, and correction of incipient failures either before they occur or before they develop into major defects.

Preventive maintenance - Wikipedia
Corrective maintenance is a maintenance task performed to identify, isolate, and rectify a fault so that the failed equipment, machine, or system can be restored to an operational condition within the tolerances or limits established for in-service operations.

If you're planning a European road trip youâ€™ll want to make sure you take the right kit with you, to avoid the risk of a fine for not carrying something as simple as a warning triangle or reflective jacket.

What do I need for driving in Europe | AA

What an oasis to find in the desert of trading education! As I read through the 6 volumes of Lance's new e-book there was a constant stream of "wow" and "aaah...that makes so much sense".

(5) "Consultant" means an expert who provides advice or services in a particular field, whether a fee is charged or not. A consultant who is in receipt of, or has the right to receive, a percentage of the gross or net profit from the licensed business during any full or partial calendar or fiscal year is a true party of interest and subject to the requirements of WAC 314-55-035.

Chapter 314-55 WAC:
Deriving meaning in a time of chaos: The intersection between chaos engineering and observability. Crystal Hirschorn discusses how organizations can benefit from combining established tech practices with incident planning, post-mortem-driven development, chaos engineering, and observability.
