American International Journal of Contemporary Research

The Journal of Management and Marketing Research (JMMR) publishes original, unpublished manuscripts related to contemporary issues in management and marketing. Any topic related to management or marketing is appropriate for publication consideration in the journal. This journal is double-blind peer reviewed with an acceptance rate of less than 35%.

Journal of Management and Marketing Research

Human resource management (HRM or HR) is the strategic approach to the effective management of people in an organization, so that they help the business gain a competitive advantage. Commonly known as the HR department, [by whom?] it is designed to maximize employee performance in service of an employer's strategic objectives. [need quotation to verify] HR is primarily concerned with the ...

High-level radioactive waste management concerns how radioactive materials created during production of nuclear power and nuclear weapons are dealt with. Radioactive waste contains a mixture of short-lived and long-lived nuclides, as well as non-radioactive nuclides. There was reported some 47,000 tonnes of high-level nuclear waste stored in the USA in 2002.

1.. Why study management control systems as a package? The idea of management control systems (MCS) operating as a package 1 has existed for over 30 years (Otley, 1980) and there have been regular calls to study the phenomenon (Chenhall, 2003, Dent, 1990, Fisher, 1998, Flamholtz et al., 1985, Otley, 1980). Despite this there has been little explicit theorizing or empirical research on the topic ...

1. Performance management and employee engagement. Performance management is a critical aspect of organizational effectiveness (Cardy, 2004). Because it is the key process through which work is accomplished, it is considered the "Achilles Heel" of managing human capital (Pulakos, 2009) and should therefore be a top priority of managers (Lawler, 2008).
