I am glad I got a chance to read your material, it may have changed my life. I just wanted to say that the I create reality Reality program is truly worth the small amount of money it costs...I have tried other programs in the past, and was greatly disappointed.. One fantastic difference is the Holocreation sheet, it actually gives you a step by step way to create your own holograms, and to ...

In a nutshell, the third step in creative visualization is to learn how to use your feelings. In other words, to feel how it would feel to experience your intended outcome in the present moment - now - not sometime in the future. Of all the feelings you can experience, unconditional love, gratitude and peace are the three that will turbo charge the manifestation of your intentions.
