3. Preface. This guide has been developed by the Royal Architectural Institute of Canada to assist Architects and their Clients in determining appropriate fees for Architect's services.

Determining Appropriate Fees for the Services of an Architect

An architect is a person who plans, designs and reviews the construction of buildings. To practice architecture means to provide services in connection with the design of buildings and the space within the site surrounding the buildings that have human occupancy or use as their principal purpose. Etymologically, architect derives from the Latin architectus, which derives from the Greek (arkhi ...
