

private security services the pdf

He defined private security as “those individuals, organizations, and services other than public law enforcement agencies, which are engaged primarily in the prevention of crime, loss, or harm to specific individuals, organizations, or facilities” (as described in Cunningham et al., 1990).

The Private Security Industry: A Review of the Definitions

In most countries, private security personnel outnumber public police by more than two to one (Prenzler, 2013:9). This has occurred as part of the pluralization of policing (Griffiths, 2016). The number of private security service providers in Canada has grown significantly in the last two decades.
