Keys to Perception is a tantalizing portfolio of psychic development exercises, which are practical, impactful, and organized into one accessible compilation in a way few psychic development books preceding this one has managed to do.

Keys to Perception: Practical Guide to Psychic Development

I would not say this book deals so much with "psychic perception" as it does with the subconscious mind. Of course, they are related, but the book does not focus on how to hone one's psychic abilities, other than the usual "prayer" technique (affirmation).

Psychic perception: The magic of extrasensory power by

I have had personal contact with a psychic medium, conducted a series of informal remote viewing experiments, ... With regard to psychic perception, Leichtman and Japikse are speaking from personal experience. C. Normal Shealy, M.D. describes them in a foreword to "The Art of Living, Vol. I":

Psychic Perception - archive.is

Psychic perception. The ability to feel energy is called clairsentience. I also call this empathy or our "emotional imagination". When using clairsentience to scan an aura, I feel the energy of aura colours as movement, temperature, texture and mood in my own body, almost as though I am feeling what the client feels.

Psychic perception " OMANISA

Perception is the psychic's main tool. Perception isn't just how we see things, but also how we make them be. Several examples: A key is just an oddly shaped piece of metal unless you know it can be used to open a lock.
