This is another post from the Suggest a Topic page, and while the original comment had a lot of questions

about the overall functioning of an economy, I thought Iâ€™d take one question from it, and try and answer that in a post.. Why canâ€™t a country print money and become rich? A lot of people have this misconception that a countryâ€™s currency is backed by the gold it holds.

Enabling women to control the number and spacing of their children is essential to reducing maternal deaths and human misery. Over 200 million women, mostly in the least developed countries, want to use modern family planning methods but can't access them, facing cultural barriers or family resistance, or not having access to contraceptives, or there is a lack of information or trained workers ...
