

tales of the slayer pdf

Tales of the Slayer are volumes containing prose short stories. Four volumes of this series have been released, all published by Pocket Books. Each contains a number of short stories surrounding the mythology of past Slayers Tales within Buffyverse chronology. These are ordered by chronology rather than by their appearance in the books. ...

Tales of the Slayer - Wikipedia

The tales of the slayer are split up into mini stories basically. Each story is an account of a different slayer from a different era of time, and different part of the world. I think the most interesting ones was by a slayer from russia, new england, and one that worked for Marie Antionette.
