teaching cross culturally an pdf

Culturally relevant or responsive teaching is a pedagogy grounded in teachers' displaying cultural competence: skill at teaching in a cross-cultural or multicultural setting. Teachers using this method encourage each student to relate course content to his or her cultural context. While the term often deals specifically with instruction of African American students in the United States, it has ...

Culturally relevant teaching - Wikipedia

The term "cross-cultural" emerged in the social sciences in the 1930s, largely as a result of the Cross-Cultural Survey undertaken by George Peter Murdock, a Yale anthropologist. Initially referring to comparative studies based on statistical compilations of cultural data, the term gradually acquired a secondary sense of cultural interactivity. The comparative sense is implied in phrases such ...
